Sir,

Subject:- Purchase of 3 H.P. Motor for the use of the Seasoning Kiln, New Boiler and a starter of the above Motor - Chamarajendra Technical Institute, Mysore.

4443

In continuation of this office letter of even number dated 11/12-1-1955, on the above subject, I write to state that with a view to provide power circuit to feed 3 H.P. Motor and also the lighting arrangements required for the new Seasoning Kiln at the Institute, which has to be put into operation immediately, the Superintendent, Mysore Power and Lighting, Mysore, was requested by the Superintendent, Chamarajendra Technical Institute, Mysore, to send an estimate for undertaking the installation of the power circuit. He had accordingly sent an estimate to this office for Rs.992/- (Rupees Nine Hundred and Ninety two only) towards the cost of providing power circuit to feed 3 H.P. motor and five lights etc. In view of the urgency of the matter, the estimate was duly countersigned and returned to the Superintendent, Mysore Power and Lighting, Mysore, for fixing further action to execute the work.

I therefore request that the action taken by me may kindly be approved and that sanction may be accorded for incurring an expenditure of Rs.992/- in this behalf, the amount being debited to "43 Industries and Supplies a.B. Industrial Education, 3 Chamarajendra Technical Institute, Mysore - 6 Other charges - Workshop Section - Tools and Machinery".

Orders of Government for the purchase of (1) 3 H.P. Motor and a Starter as reported in this office letter ~~of~~ even number dated 11/12-1-1955 and (2) to the expenditure of Rs.992/- now proposed may kindly be obtained and communicated to me early.

Yours faithfully,
